Bishop Michael Burbidge / www.dioceseofraleigh.org
6:15pm: Stations of the Cross

Bishop Burbidge will guide us on a pilgrimage through the scenes of Christ's suffering and death. Also called The Way of the Cross, Via Crucis, and Via Dolorosa, these are a series of pictures or tableaux, each corresponding to a particular incident, or the special form of devotion connected with such representations. Together, in meditation, we will experience the true meaning of our Lenten journey.

Marcus Grodi / www.chnetwork.org
7:00pm: "What is Truth?" & "The Verses I Never Saw"

Marcus Grodi will take us on his journey from Protestant minister to Catholic apologist. His sacrifices were many and they prepared his heart to welcome others. He found a new calling to help the faithful to uncover the treasures of the Catholic faith. His study of the teachings of the Catholic Church answered the mystery of ten key verses in the Bible that he admits he overlooked but upon understanding them found a clear path. His vocation has brought him to publish **The Coming Home Journal** which contains articles written by converts to express the truths and beauty of the Catholic faith to our separated friends and family -- in a winsome way and in language with which they are familiar and comfortable. Marcus also hosts **The Journey Home** on EWTN. This exciting call-in show examines why so many people from Protestant to fallen away Catholics are being drawn into the Catholic Church.
