

# IGNITED BY TRUTH

Catholic Conference

November 8, 2018

Dear Brothers and Sisters in Christ,

Thank you for your past support of Ignited By Truth! Through your generosity, God has made possible another incredible conference. On April 28, 2018, over 3,000 people got ignited at NC State's Reynolds Coliseum. Everyone loved this new venue so much that we are planning to return for our 16th conference next year.

As our sponsor, you are privileged to be the first to receive the exciting news about our coming speakers! On April 6, 2019, we will present:

- **Peter Kreeft, Ph.D.** professor of philosophy at Boston College,
- **Fr. Larry Richards** founder of "The Reason for Our Hope Foundation",
- **Tim Gray, Ph.D.** president of the Augustine Institute,
- **Adam Blai** demonologist,
- and **Sue Brinkmann** author of [A Catholic Guide to Mindfulness](#).

The day will begin with Mass celebrated by **Bishop Luis Zarama**.

Plans are falling into place for an exciting program to ignite young adults, high school, and middle school students. Being on a college campus gives us an opportunity to reach many young people, so we are also investigating the possibility of ending the conference with a concert.

Low ticket prices bring more people, and our mission is to evangelize the world! With your help, we can offer \$15 tickets again and fill the coliseum. Please pray about what you can contribute this year to help spread the fire of Truth to others. All donations are tax-deductible. Thank you, and may God bless you!

In Christ,
