Bringing to light the truth of the teachings of the Catholic Church and igniting in our hearts a love for our Faith

Matthew Kelly

Author of "Rediscovering Catholicism"
"Is Catholicism Still Relevant?"

Australia-born Matthew travels the globe teaching people of all faith traditions how to become the best-version-of-themselves. He will help us to realize the gifts God pours out to us through the Catholic Church, enabling us to find and follow the mission He has entrusted to each one of us.

Dr. Brant Pitre

Professor of Sacred Scripture
"The Jewish Roots of the Eucharist"

Having studied under Dr. Scott Hahn, Dr. Pitre now teaches at Notre Dame Seminary in Louisiana, specializing in Ancient Judaism and the New Testament. By revealing God's plan to save us through history, he will leave us in wonder and awe at the mysteries we experience in our Faith today.

Jeremy Rivera & Katie O'Donnell

FOCUS (Fellowship of Catholic University Students)
"Call to Evangelization"

Jeremy trains teams of young missionaries like Katie to be sent to over 50 college campuses across the U.S. to reach students with the Gospel. They will teach us how to fight the evils invading our culture by being witnesses to our Faith before others.

Dr. Reinhard Huetter

Professor of Christian Theology
"Drawn to the Church by Divine Faith"

On fire for the Faith, German Professor Huetter is a former Lutheran who now teaches at Duke Divinity School and writes about the intricacies of Catholicism. He will take us on his journey of discovery through the foundations of our Faith which captivated his heart, leading him to the True Church.

Deby Schlappizzi

Pro-Life Advocate & Radio Host
"Splendor of You"

Driven by her desire to help shape a society more respectful of the sacredness of all human life, Deby addresses matters of faith and morals in contemporary living. She inspires women and men of all ages to discover the handprint of God within and to let His splendor shine.

Dr. Patrick Yeung & Dr. Patrick O'Connell

Duke University Medicine
"Catholic Bioethics: Current Issues"

Drs. Yeung and O'Connell believe that "good ethics is good medicine." They will inform us about the hot topics and recent developments in Biotechnology and Women's Reproductive Health and help us to understand the Catholic Church's position.
