

IGNITED BY TRUTH

Catholic Conference 2005

Bringing to light the truth of the teachings of the Catholic Church and igniting in our hearts a love for our Faith

Saturday, February 12th, 2005 8:30 am - 6:30 pm
 Cardinal Gibbons Catholic High School, 1401 Edwards Mill Road, Raleigh, NC

DR. JANET SMITH
 Chair of Life Issues at Sacred Heart Seminary
"Spreading a Culture of Life"

Dr. Smith is best known for her audiotape, "Contraception, Why Not?" She has devoted her life to helping others understand the Catholic Church's teachings on life issues. Her wisdom on the issues of contraception, abortion, and euthanasia will inspire us to promote our Catholic beliefs.

JEFF CAVINS
 Former Host of EWTN's Life on the Rock
"Turning Pain into Gain"

A former Protestant pastor, Jeff now shares his knowledge of scripture to help Catholics better understand the Bible. He has co-authored many books, including the Amazing Grace series. He will teach us about the mystery and value of suffering and explore the reasons why many Catholics have left the Church for evangelical Christianity.

CARL OLSON
 Author of Will Catholics be Left Behind?
"The DaVinci Hoax"

With a Masters in Theological Studies from the University of Dallas, Carl has become a leading apologist, writing countless articles and speaking as a guest on many television and radio shows. He will share with us his findings in debunking popular anti-Catholic fiction.

FR. JIM GARNEAU
 Church Historian
"Answering Questions of the Mind, Heart, and Soul"

Fr. Garneau has a Ph.D. from the Catholic University of America. He was president of the Pontifical College Josephinum in Ohio and has held a variety of offices in the Raleigh Diocese. He is ready to answer your questions about our Faith.

Student Break Out Sessions

Jeff Cavins
"A Rebel Returns to the Catholic Faith"

Carl Olson
"Sharing Our Catholic Faith"

Vigil Mass @ 5:30 pm
Rev. Daniel D. Oswald, celebrant

DR. CHRIS CLEMENS
 UNC Professor of Astrophysics
"Being a Catholic Scientist: Not an Oxymoron"

A lifelong Catholic, Chris has always been seeking to understand the mysteries of the universe. His studies of astronomy have been recognized and rewarded. He will explain how scientific discoveries increase our faith in God.
